“Dr. Grover and his team are all around incredible. Being flat chested my whole life, I always knew I wanted a breast augmentation but I don’t believe I would have felt comfortable getting it done anywhere else. The entire staff is attentive and friendly, and Dr. Grover really took the time to understand what I wanted. I could not be happier with the results! I finally have the body confidence I’ve always wanted.”

“I had a great experience with Dr. Grover. I was comfortable from beginning to end. He was so attentive, so friendly, and has a great attention to detail. I am so happy with my mommy makeover and love my new body. I feel like a new woman. I am much curvier now; exactly what I wanted. I highly recommend Dr. Grover. GO! You will wonder why you did not go sooner.”

“From my very first appointment with Dr. Grover, I felt so loved. I could see in his eyes and words while assessing my nose that he was the right doctor for my difficult situation. Boy was I right! From his nurses to my anesthesiologist, the experience was amazing.

His follow up visits and all staff were so positive and supportive too. They all treated me like family. I highly recommend Dr. Grover to everyone. I am so blessed to have him repair my nose and make me feel beautiful again. I would trust him for any treatment.”

“I’m so pleased with my results. I went back and forth about having a breast augmentation for years. I knew I wanted to find a doctor that I could trust and that would give me the natural look I was going for. Dr. Grover exceeded my expectations and I’m so happy I went through with it!”

BRIDGDUN

Breast Augmentation

“I am only one month post op from my breast augmentation with an areola lift, and I am already **BLOWN AWAY** with the results. I could not be more happy with the size, shape and the overall look of my breasts and areolas. From the bottom of my heart, I highly recommend Dr Grover!”

“From the moment I met Dr. Grover, I knew he was the right surgeon for me. His bedside manner is amazing. He patiently listens and answers all questions. He never made me feel rushed or like he had somewhere else to be. He also made me feel super comfortable to talk about very personal and vulnerable issues I had with parts of my body. His work is incredible. My incisions are so small and thin and perfectly aligned. I’m beyond happy with my results.”

ABRAVE

Mommy Makeover

“AMAZING! Absolutely love the result. He is a perfectionist. My surgical incision is tiny and I had a lot of work...truly amazing. I almost didn't have this surgery because I've seen so many huge scars on friends. Dr. Grover's stitching is immaculate. I am only two weeks post procedure, but look like I am a few sizes smaller. I have signed up for one additional different surgery, as I am SO thrilled with this outcome!”

“This is my second surgery with Dr. Grover and once again he far exceeded my expectations. I had a mommy makeover this time and the results are unreal. Dr. Grover’s professionalism and bedside manner is off the charts. He is so kind, so gentle, so smooth, and very thorough. I was very nervous for this surgery and he and his staff kept me calm the whole time. There’s no doubt that I’ll have my next procedures with him. He’s beyond a 10.”

SARIAHDOHERTY

“I cannot thank Dr. Grover, his amazing office staff and superb surgical team enough. My experience has been phenomenal. I am more than pleased with my results. Dr. Grover listened and took his time, I never felt rushed or dismissed. I am forever grateful. Thank you Dr. Grover and staff.”

“I am so happy I went through with the surgery. My scars are almost invisible and I can wear anything again. It truly changed the narrative in my head and I feel so much more comfortable and confident. Dr. Grover was amazing and I would recommend him always!”

SOCALIGIRL92672

Mommy Makeover

“Dr. Grover was amazing! I had the mommy makeover with a breast lift and augmentation. I’m all about natural results and I was very pleased with how things turned out. Also his eye for detail, technique is impeccable. Recovery was not as bad as I expected. Also my belly button looks amazing, and natural.”

SPNEWPORT

“

“I’ve been wanting to get a breast augmentation for years now, but was waiting to have kids first. Not close to having kids but decided to go forward with the procedure.

Dr. Grover is well known for his breast augmentation work, and I decided to do a few more things since I was going under: buccal fat removal as well as a lip lift. They all came out amazing and I’m so happy!”

Breast Augmentation

“I had the best experience with Dr. Grover, better than I could have imagined. Dr. Grover has always been attentive to what I have wanted and needed, and three months later, I continue to find myself loving my results more on a daily basis. A breast augmentation is a process in itself, but Dr. Grover walked me through it all and was very realistic with what to expect. I am beyond happy with how my results turned out!”

ALARIOS

Breast Augmentation

“Dr. Grover is skillful at his craft. He performed a rhinoplasty for me. I had minimal discomfort during the healing process and I’m very pleased with the result.

Dr. Grover has a great bedside manner that will put you at ease, but most importantly, he is meticulous and accomplished at his profession. This was crucial to me in choosing a doctor, and he lived up to my expectations.”
